

## + Heffys Chicken & Bacon Pizza

[www.heffys.com](http://www.heffys.com)

Ingredients:

Ready made pizza crust (*or make your own if you prefer*)

2 chicken breasts

1/2 lb bacon

8oz fresh mozzarella cheese

5-6 fresh basil leaves

1 cup Heffys Sweet Mesquite

BBQ Sauce

We prefer to grill our chicken and bacon. Once that's complete, put your grill on low and get your pizza stone heated up (if you don't have a pizza stone you can just put your pizza directly on the grill, keep a close eye not to burn the crust). Cut/break up your chicken and bacon into bite size pieces, Chiffonade the basil and cut the fresh mozzarella into 1/4 inch slices. Place your crust on your stone and spread about half a cup of Heffys BBQ Sauce on top. Spread the chicken and bacon evenly over the crust then apply the fresh basil and then the mozzarella on top. Finally drizzle on the remaining Sauce and close the lid of your grill until your cheese is all melted. Cut & Enjoy!
