HEFFYS ORIGINAL provides a rich, full-bodied flavor then adds hickory undertones to its spicy-sweet taste with just a little kick that will keep you coming back for more

HEFFYS HOT & SPICY combines a habenero pepper blend to its rich, full bodied flavor to deliver a complex heat for a great front end spice and rewarding after burn

HEFFYS SWEET MESQUITE will calm even the sweetest tooth out there; with its hint of smoke that balances its sweetness this sauce is everyone's new favorite

Heffys Fans, the story continues..

Some of you have been asking, "What's going on with the boys from HEFFYS?" Well, the news is all good. Jason, Mike, and I have been working on a plan to take our sauce into the next level. We were tinkering with idea of selling our brand to the right group of folks that would uphold what we have built over the last 6 years. Our pride in our business has always been producing the best product that we can, giving back to the community, and having fun! I am here to tell you that the fun has just begun!

After talking about this for a long while, we all decided that HEFFYS was too much a part of all of us to let it go. The decision was made to keep it at home and my wife Jenny and I would take full ownership of the company.

We will continue to make the best sauce that we can, put our customer's first, and have fun! Look for updates on the web, Twitter, and Facebook coming soon. Thanks to all of our fans, friends, and families for believing in us and helping us continue to build the HEFFYS brand.

Thanks to Mike and Jason for all of their hard work and dedication over the last 6 plus years, we could not have done this without you!
